The Department of Swimming
at the Institute of Physical Activity
in Water Environment,
University School
of Physical Education,
Wroclaw, Poland

Invites to:

the 8th International Scientific Symposium
“Science & Swimming”

which takes place on 19-20th May 2016
in the University School of Physical Education In Wroclaw
During 70th University School of Physical Education in Wroclaw anniversary

The honorary patronage over symposium was taken by
The Rector of the University School of Physical Education in Wroclaw prof. Juliusz Migasiewicz
Marshal of the region Lower Silesia Cezary Przybylski
vice Rector for Research and International Relations prof. Zofia Ignasiak
vice Rector for Students and Academic Sport prof. Andrzej Rokita

Announcement

Aim:
The exchange of views and experiences and to present the results of scientific research performed on the development of widely understood physical activity in the aquatic environment with a biological and humanistic context. The symposium is also dedicated to make intercollegiate scientific, educational and organizational contacts.

Thematic scope:
1. Modern problems of physical activity forms in the aquatic environment.
2. Biological and humanistic aspects of physical education, rehabilitation, sport, recreation in the aquatic environment.
3. Contemporary trends in the development of education in the process of motor learning, sport and recreation.
4. „The World Games” – canoe polo, water ski, wakeboard, finning, water rescue.
5. Water sports - innovation and prospects development.

Scientific Committee:
Chairman: prof. Krystyna Zatoń, University School of Physical Education, Wroclaw, Poland
Members:
prof. Ewa Dybińska, University School of Physical Education, Krakow, Poland
prof. Zofia Ignasiak, University School of Physical Education, Wroclaw, Poland
prof. Anna Karpińska University School of Białystok, Poland
Dr Per Ludvik Kjendlie, Norwegian School of Sports Sciences
prof. Tadeusz Koszczyc, University School of Physical Education, Wroclaw, Poland
prof. Wodzisław Kulński, Medical University of Lodz, Poland
prof. Stephen J. Langendorfer, University Bowling Green State, USA
prof. Juliusz Migasiewicz, University School of Physical Education, Wroclaw, Poland
prof. Romuald Olszański, Military Institute of Medicine, Warsaw, Poland
prof. Patric Pelayo, University of Lille, France
prof. Andrzej Pawlucki, University School of Physical Education, Wroclaw, Poland
prof. Jan Prins, University of Hawaii, USA
Dr hab. Marek Rejman, University School of Physical Education, Wroclaw, Poland
prof. Andrzej Rokita, University School of Physical Education, Wroclaw, Poland
prof. Ross Sanders, University of Edinburgh, Great Britain
prof. Anna Skrzek, University School of Physical Education, Wroclaw, Poland
prof. Robert Keig Stallman, University of Oslo, Norway
prof. Wojciech Wiesner, University School of Physical Education, Wroclaw, Poland
prof. Marek Woźniacki, University School of Physical Education, Wroclaw, Poland
prof. J. Paulo Vilas – Boas, University of Porto, Portugal
prof. Marek Zatoń, University School of Physical Education, Wroclaw, Poland

Organizational Committee:
Chairman: Magdalena Chrobot, PhD
Secretary: Stefan Szczepan, PhD
Members:
Krystyna Antoniak - Lewandowska PhD
Agnieszka Bielawska MSc CEng
Wojciech Bigiel MSc
Ryszard Blacha PhD
Mirosław Filon PhD
Tadeusz Gancarek MSc CEng
Marcin Jaszczyk PhD
Andrzej Klarowicz PhD
Anna Kwaśna PhD
Piotr Piwowarczyk MSc
Marek Rejman Prof
Michał Załęski PhD

Conference language:
Polish and English.

Form of presentation:
Oral presentations, poster presentations

Publication:
Articles accepted for publication will be published in the scientific monograph “Science in Swimming VI” (5 pts in MNiSW). The remaining works can be published in „Scientific Dissertations of Academy Physical Education in Wroclaw” (5 pts in MNiSW) and „Human Movement” (7 pts in MNiSW) journals. “Science in Swimming” is a cyclic monograph published in English. The book contains original scientific concepts and is referred to the area of physical activity with the background of physiological, biomechanical and pedagogical aspects. Authors do not receive any remuneration for published paper – each article will be classified as a chapter of the book. The main body of the article must contains at least 20 000 characters including spaces. For more details about editorial requirements please visit www.scienceandswimming.awf.wroc.pl (the section “instruction for authors”). The Editorial Board reserves the right to linguistic, graphical and text flow adjustments. The organizational Committee intend to publish the “Science in Swimming VI” on the day of the conference.

“Scientific Dissertations of Academy Physical Education in Wroclaw” is a peer-reviewed scientific journal, which publishes the works covering various fields of the physical education, sports, recreation, tourism, health and rehabilitation. All additional information about publishing is available at: http://www.awf.wroc.pl/pl/article/1003/2387/Informacje_2015/

“Human Movement” is a periodically issued scientific journal. Journal presents views from every field of science concerning human movement in a broad sense, both biological and humanistic. All additional information about publishing is available at: http://www.awf.wroc.pl/pl/article/1003/2408/Informacje_2015/

Important dates:
- Application form must be sent by email to stefan.szczepan@awf.wroc.pl before: 31th December 2015.
- Abstract must be sent by email to stefan.szczepan@awf.wroc.pl before: 30th January 2016.
• All articles must be sent by email to stefan.szczepan@awf.wroc.pl before: 28th February 2016.

• The decision of acceptance for publishing will be sent to the author before: 15th April 2014.

• Conference fee has to be transferred to the Symposium account before: 28th February 2016.

**Symposium fees:**
The fee for full participants (authors and presenters) is amounted to **600 PLN** and it covers: conference materials, scientific monograph, lunch and social meetings with catering services.
The fee for passive participants and students is amounted to **50 PLN** and it covers: certificate of participation.
There is a possibility to print an additional publications for an extra charge (**200 PLN** each).
The Organizing Committee is able to provide hotel bookings for requests made in advance. All the detailed information are available at www.scienceandswimming.awf.wroc.pl.
